## El Norte

The San Diego Public Library is proud to present the award-winning film *El Norte*.

Released in 1983, *El Norte* tells the story of two Guatemalan teenagers who, after narrowly escaping a massacre in their village, decide to venture north, in an attempt to make a life for themselves in the United States. Their perilous journey is both humorous and heartwrenching, as they make their way through Mexico with little more than their dreams of a better life to sustain them.
